
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.tristatewelfarefund.com](http://www.tristatewelfarefund.com) or call 1-844-395-4467. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <u>deductible</u> ?                             | \$300 person/\$600 family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.  |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.  |
| Are there other <u>deductibles</u> for specific services?           | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?       | <u>In-network</u> : \$5,000 person/<br>\$10,000 family;<br><u>Out-of-network</u> : No limits                                       | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?            | <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> does not cover, and <u>out-of-network</u> expenses. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?            | Yes. Call 1-800-810-2583 for a list of <u>network providers</u> .  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
